Jordan Chamber of Commerce
&
Jordan Chamber of Industry

Handwritten signatures in blue ink, including the name "Hogewit" and other illegible signatures.

AGREEMENT OF CO-OPERATION

Mindful of the interests and endeavors of business in the two countries, the chambers (hereinafter referred to as the two parties), agree to strengthen the links between the organizations and to further promote trade, industrial, economic and technical co-operation between their members.

In order to achieve the above aims, they reached the following agreement:

Article 1

Encourage and promote direct contacts between entrepreneurs in the Republic of Croatia and the Hashemite Kingdom of Jordan so as to strengthen the development of commercial and industrial activities between them.

Article 2

Facilitate and promote the exchange of business delegations, examine economic/industrial co-operation between the companies of the two countries and expand economic, trade, investment, technical and scientific co-operation between two countries.

Article 3

The two parties shall be committed to the periodical exchange of their economic trade and law information. The specific enforcement of which should be subject to the deliberation between the organizations.

Article 4

The two parties shall within their own authority provide the necessary facilities for business activities of the other party within their respective territories, so as to efficiently strengthen the economic co-operation and encourage trade contacts between the organizations and their member's enterprises.

Article 5

Assist in establishing contacts in connection with trade fairs and exhibitions, technical or economic symposia and other means of trade promotion including the exchange of information on the economy and foreign trade.

Article 6

Examine the possibilities for co-operation in country markets and to keep each other better informed concerning projects in this respect, all organizations should exchange information aimed at identifying specific.

Article 7

Utilize visits by members or officials from the organizations to discuss matters of mutual interest.

Article 8

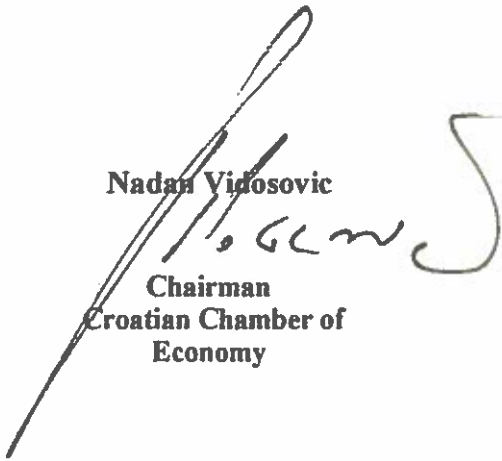

The two parties shall Co-operate in the fields of trade and maritime arbitration, patent application, as well as trademark registration. In particular, both parties are obliged to give assistance required for solving trade disputes that may arise in business transactions between their members amicably through reconciliation or through arbitration.

This agreement enters into force on the day of its signing and shall be valid until any of the organizations requests its termination in writing to other organization. All organizations have the right to propose any amendment they consider necessary to improve the co-operation between them.

This agreement is signed in Amman on the 21 March 2004.
